

ABOUT BTO

BULL RIDING. BUILT AROUND THE TEAM.

Bull Teams Only is a contractor-driven bull riding competition that brings stock contractors, bucking bulls and riders together as one team.

2 BULLS | 2 RIDES | 1 TEAM

BUILT FOR THE

STOCK CONTRACTOR

Behind every great bucking bull is a stock contractor who has invested years into breeding, raising, developing, hauling and preparing livestock. BTO gives those contractors an arena where that work becomes part of the competition.

THE CONTRACTOR IS PART OF THE TEAM.

Each team enters two bulls with two rider outs. A contractor may use two different riders, or one rider may ride both bulls. No rider may compete in more than two rides per BTO event.

A PLACE TO START. A PLACE TO GROW.

BTO does not require riders to be 18 to compete, giving talented young athletes an opportunity to gain valuable competition experience.

Over the years, numerous riders who competed with BTO early in their careers have gone on to compete at higher levels of the sport, including PBR and PRCA competition.

BTO IS NOT A JUNIOR LEAGUE. IT'S REAL COMPETITION.

For some of the names competing on major stages today, BTO was part of where the journey began.

EVERY OUT MATTERS.

THE 8-POINT BONUS

At designated BTO events using the bonus format, when both rider outs result in qualified rides, eight additional points are added to the team score.

Not every BTO event uses the 8-Point Bonus. Events are designated accordingly.

BULLS. RIDERS. CONTRACTORS.

ONE TEAM.

BUILT FOR THE FANS

~50%

QUALIFIED-RIDE RATE

BTO is designed to create exciting competition for the people in the stands. BTO events produce an approximately 50% qualified-ride rate, giving fans more opportunities to see successful rides, scores hit the board and the competition unfold throughout the event.

**MORE RIDES. MORE SCORES.
MORE FOR THE FANS.**
